### Springtime Pasta Primavera Enjoy !

[www.mccormick.com](http://www.mccormick.com)

This low fat, low calorie recipe makes a great springtime dish. Spring vegetables and dill weed are the stars for this light and easy pasta. Choose your favorite fresh vegetables-- sugar snap peas, baby carrots, peas, or broccoli--to cook in the same pot as the pasta.

**Ingredients:** 8 ounces uncooked linguine pasta, 4 cups cut-up vegetables (such as baby carrots, snow peas, broccoli), 1 cup chicken broth, 1/4 cup dry white wine, 1 tablespoon flour, 2 teaspoons Dill Weed, 1 teaspoon Garlic Salt , 1/4 teaspoon Thyme Leaves , 1/4 cup heavy cream, Parmesan cheese (optional)

**Preparation:**

1. Cook pasta in a large saucepan according to package directions. Add vegetables during the last 3-4 minutes of cooking. Drain.
2. Whisk together broth, wine, flour, dill weed, garlic salt, and thyme in same saucepan. Bring to a boil, stirring constantly; simmer 1 minute. Add cream; gently stir in vegetables and pasta. Cook until heated through. Garnish with Parmesan cheese if desired.
